

What is the HoNCAB Network?

The **Hospital Network for Care Across Borders** aims at helping its members to tackle the new challenges arising from the Directive on cross-border healthcare, **by sharing their practical experience** of the opportunities and critical issues of cross-border care, as well as possible solutions.

16 Hospitals

7 Countries

hope Permanent Secretariat

What does it offer?

Improve the management of cross-border healthcare by learning from **good practices**

Access and contribute to the creation of updated and **not easily available information on cross-border healthcare**

Meet and discuss with peers issues related to cross-border care

Visibility for the hospital

Interested in joining the Network?

The HoNCAB Network welcomes other hospitals to join the Network.

For more information about how to join and the application form, please consult the **Protocol of the Network** available on the website.

How to join the Network

- ✓ Fill in an application form
